

Indian Embassy in Rabat Celebrates ITEC DAY

Indian Technical & Economic Cooperation Day, known as ITEC Day was celebrated in the Embassy of India, Rabat on September 15, 2021. Ambassador of India H E Rajesh Vaishnaw delivered the keynote address to the ITEC *alumni* including several government officials from the Kingdom of Morocco and expressed his satisfaction over the growing interest in Morocco in various ITEC programmes being organised by the Government of India.

2. More than 300 officials and working professionals from Kingdom of Morocco have benefited from ITEC scholarships in last one decade. During covid times, this cooperation has continued and several programmes specially designed for Moroccan professionals in Big Data, Malware as well as water transmission systems have been successfully organised. Ambassador expressed hope that with new modalities of e-ITEC, ITEC-Onsite and ITEC Executive (online courses) will be more useful especially during Covid times and more Moroccan participants will avail benefit of large number of course offerings.
