& Supply Chains

ABOUT THE SUMMIT

The India–Africa Food Security, Agri Trade & Investment Summit 2026 is a premier platform that brings together governments, industry leaders, investors, innovators, farmers, researchers, and development partners from India and Africa to build resilient food systems, strengthen agri trade, and unlock investment opportunities across the agricultural value chain.

BUILDING PARTNERSHIPS

Foster strategic collaboration between India and African nations for a food secure future.

DRIVING TRADE & INVESTMENT

Unlock new trade corridors and investment avenues in agriculture and allied sectors.

INNOVATION & TECHNOLOGY

Promote innovation, knowledge exchange and technology transfer for sustainable agriculture.

SUSTAINABLE GROWTH

Advance climate-smart agriculture and build resilient, inclusive and sustainable food systems.

SHARED PROSPERITY

Create long-term value and shared prosperity for communities across India and Africa.

BACKGROUND & RATIONAL

India and Africa share deep historical ties, a common vision for development, and a commitment to food security and sustainable growth.

Africa's vast arable land, young population, and untapped potential, combined with India's expertise in agriculture, technology, and capacity building, present a powerful opportunity for synergy.

Rising populations, climate change, and global supply chain disruptions demand stronger collaboration to ensure food security, nutrition, and resilience.

Enhanced agri trade, investment, and innovation can boost productivity, create jobs, and drive inclusive economic growth.

The Summit aims to catalyze partnerships, share solutions, and accelerate action towards a food secure, prosperous, and sustainable future for India and Africa.

VISION

To build a resilient, inclusive and sustainable food future through India-Africa partnership, innovation, trade and investment.

MISSION

To strengthen collaboration, promote agri trade and investments, enhance food security, and drive sustainable agricultural transformation for shared prosperity.

KEY FOCUS AREAS & SECTORS

SEEDS & SEED SYSTEMS

Strengthening seed quality, access, innovation and capacity for high productivity and food security.

SOIL HEALTH, WATER & IRRIGATION

Promoting soil health, efficient water use and modern irrigation solutions.

FOOD PROCESSING & VALUE ADDITION

Enhancing local processing, reducing post-harvest losses and increasing value addition.

AGRI TRADE & MARKET ACCESS

Facilitating trade partnerships, market linkages and removing barriers.

INVESTMENT & FINANCING

Mobilizing investments, improving access to finance and de-risking projects.

INNOVATION & TECHNOLOGY

Promoting R&D, digital solutions, mechanization and technology transfer.

INFRASTRUCTURE & LOGISTICS

Strengthening storage, cold chain, transport, and logistics for efficient supply chains.

500+

National and International Delegates

40+

African Countries
